### This Week's Service

Kriss Gang will give the talk, *UU Resistance*, and Deb Gang will be the service leader. Unitarians and Universalists have traditionally led the charge for social change resisting unjust, cruel and social norms like slavery, war, denial of human rights, minority oppression and religious zealotry. This Sunday's service will highlight Unitarian Universalist "Resistance" since the two denominations focusing on our role in the civil rights movement, Viet Nam war protests, Immigration reform, marriage equality, economic justice, climate change, and most recently the Black Lives Movement.

### Share the Basket

Niñas Sabias' mission weaves education, empowerment and entrepreneurship so girls emerge stronger and happier in pursuit of their dreams. Through mentoring, girls learn to acknowledge power, as they endeavor to change limitations and burdens into empowerment and strength.

### Cookies for the Coffee Hour

Here's how to contribute cookies to the Sunday coffee hour. There's a sign-up board on the podium outside the door to the sanctuary. Put UU next to your name. If it's your birthday month, or you're here seasonally, consider sharing during that time. Please arrive by 11:30 (or earlier) and take your cookies to the kitchen. Gabriela will put them on a plate. Coffee hour is more special.

### This Week's Music

### A New Year's Resolution

Begin the New Year by taking time to get your important documents in order. This Sunday, January 11th, Sheila Cameron will speak briefly to the Fellowship about her *Just in Case* binder and workshop that provide a simple way to put all of your emergency info in one place. After the service she will be available outside to speak with those interested in registering for one of her workshops.

The dates and times include:

-Wednesday, January 14 from 2 to 4 PM

-Friday, January 16 from 10 to 12 noon.

These workshops will be held in the large room off the sanctuary at St. Andrew's. If you would prefer to meet in your home with a few friends, Sheila is happy to facilitate a workshop for you and the cost is \$800 pesos. For couples who share a binder, the cost is \$1000 pesos. Scholarships are available to LCUUF members in need who want to register for a workshop. See Adel if you are interested.

Our topic this month is the Kessler Syndrome, a possible chain reaction of collisions in Earth's orbit, caused by the growing density of space debris from defunct satellites and rockets, that would make future launches and satellite operations impossible. We will discuss the need for global cooperation on space sustainability in order to prevent a future that could trap humanity on Earth. We will also discuss the ethics of the situation based on the "Tragedy of the Commons."

(Editor's note: Bob has chosen a timely and fascinating subject, global cooperation, just as the US has chosen to not cooperate with anyone.)
