LCUUF News of the Week, September 14**Sunday's Service, Why Our Stories Matter**

As a story doula and photographer, Alicia Knox believes it is essential we preserve our life stories before they're lost forever. Through a multimedia presentation featuring the Project Somos Children's Learning Village in Guatemala, she will share where her inspiration for preserving stories came from. She will talk about why getting your stories in order at this chapter of your life, isn't just meaningful—it's critical. The messy, beautiful, complicated truth of your life deserves to be preserved. Your grandchildren aren't just going to thank you—they're going to treasure these stories as their inheritance. Greg Kemp will be the service leader.

Alicia is the Co-Founder of the Project Somos Learning Village Guatemala (www.projectsomos.org). She has over thirty years of working in the non-profit sector. She has been a volunteer, board member, founder, executive director and country director. Her work has included involvement in international, arts, and educational organizations.

Mike Blanco, Susanne Bjorner, Tim Boeve, and June Wilson will discuss their experiences in our recent Chalice Circles. Bob Koches will be the service leader.

There will be an opportunity to sign up for this year's Circles after the service at the table outside the sanctuary.

Annual Water Communion, September 28th

Please bring a small amount of water to share in our annual Water Communion. This ritual is a visual expression of how we as a Fellowship commit to sharing not just this water, but our lives, our values, and our commitment to LCUUF.

FoodBank Lakeside works to relieve the chronic food poverty of our most disadvantaged neighbors in numerous villages along Lake Chapala by collaborating with donors, volunteers, businesses, and community organizations to ease suffering and offer the hope of a brighter future throughout the Lakeside Community.

A Special Opportunity to Help the Community

Susie Lindemann is asking for help to find 15 qualified candidates to receive free, top-quality wheelchairs. The Chapala Sunrise Rotary Club is partnering with the Zapopan Rotary Club and they will deliver the wheelchairs on Saturday, October 18. Candidates will be vetted and must be on the list to receive a chair. Preference is given to Mexicans from low income families, who could become more comfortable and active with this gift of mobility.

If you have a candidate, please send their name, relevant physical condition, approximate age, and the name and phone number of a responsible person, to Susie Lindeman, susielindemann321@gmail.com, or call Susie at 333-722-9889 with any questions. Susie is heading up this wonderful project for the combined Rotary clubs.
